

### Nuclear Medicine 核子醫學

|                                                                                                                                                                                           | Outpatient /<br>Standard<br>門診 / 標準房 | Semi-Private<br>半私家房 | Private<br>私家房      |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------|----------------------|---------------------|
| Stress and Rest Myocardial Perfusion Scintigraphy<br>應激與靜息心肌血流灌注顯像                                                                                                                        | \$12,190                             | \$15,238             | \$18,285            |
| Whole-body Skeletal Scintigraphy 全身骨骼顯像                                                                                                                                                   | \$8,400                              | \$10,500             | \$12,600            |
| Renal Scintigraphy (Urodynamic Scintigraphy)<br>腎核子醫學顯像 (腎功能與尿流動態顯像量化分析)                                                                                                                  | \$7,600 - \$11,630                   | \$9,500 - \$14,538   | \$11,400 - \$17,445 |
| Sentinel Node Mapping (Sentinel Node Mapping for Breast Cancer and Melanoma)<br>前哨淋巴結顯像定位 (乳腺癌之腋窩 及 黑色素瘤之前哨淋巴結顯像定位)                                                                       | \$8,570 - \$11,960                   | \$10,713 - \$14,950  | \$12,855 - \$17,940 |
| Gastrointestinal Scintigraphy (Meckel's Diverticulum Scintigraphy, Gastroesophageal Motility Scintigraphy, Gastrointestinal Bleeding Scintigraphy)<br>消化道顯像 (小腸麥克爾憩室顯像, 胃食道蠕動顯像, 消化道出血顯像) | \$8,390 - \$16,440                   | \$10,488 - \$20,550  | \$12,585 - \$24,660 |
| Thyroid Scintigraphy 甲狀腺顯像                                                                                                                                                                | \$4,560                              | \$5,700              | \$6,840             |
| Parathyroid Scintigraphy 甲狀旁腺顯像                                                                                                                                                           | \$7,950                              | \$9,938              | \$11,925            |
| Radioiodine Thyroid Cancer Scintigraphy 「放射碘」甲狀腺癌顯像                                                                                                                                       | \$11,640 - \$11,750                  | \$14,550 - \$14,688  | \$17,460 - \$17,625 |
| Thyroid Uptake Measurement and Radioiodine Treatment for Hyperthyroidism<br>甲狀腺攝取測量 及 「放射碘」甲狀腺功能亢進 治療                                                                                     | \$13,770                             | \$17,213             | \$20,655            |
| Brain Dopamine Transporter Scintigraphy<br>多巴胺轉運體腦部顯像                                                                                                                                     | \$21,710                             | \$27,138             | \$32,565            |

The above table only shows the common items of Nuclear Medicine for reference. Surcharge will be levied on services provided outside normal operating hours. Please contact the department for further details.

此收費表只列出常見之核子醫學項目以作參考。非正常營運時間提供之服務將會收取附加費。如有需要請向本部門查詢詳情。
